BC Financial Services Authority Statements of Financial Information As at March 31, 2021 and for the year ended March 31, 2021

BC Financial Services Authority Management Report

The financial statements contained in this Statement of Financial Information under the Financial Information Act have been prepared by management in accordance with Canadian public sector accounting standards ("PSAS"), and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the BC Financial Services Authority ("BCFSA") Financial Statements.

Management is responsible for the integrity of the financial statements and has established systems of internal control to provide reasonable assurance that assets are safeguarded and that reliable financial information is available on a timely basis. These systems include formal written policies and procedures, careful selection and training of qualified personnel, and appropriate delegation of authority and segregation of responsibilities within BCFSA.

The Board of Directors has established an Audit and Finance Committee to provide oversight in the fulfillment by management of these responsibilities. The Audit and Finance Committee, comprising directors who are not employees, meets with management and external auditors regarding the proper discharge of management's responsibilities with respect to financial statement presentation, disclosure and recommendations on internal control.

The external auditors, BDO Canada LLP, conduct an independent examination and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the corporation's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

On behalf of BC Financial Services Authority
